When you need electrical service, you want it fast! As a Safety and Savings Plan™ member, you and your family are our first priority. When you call us before 10 a.m., you go to the front of the line and will receive service that same day! It's like having an electrician with his motor running just waiting for you to call. It's that fast!

BIG DISCOUNTS ON SERVICE

You receive up to an 11% discount on the products and services needed to bring your home up to the minimum standards of local code and the National Fire Protection Association, to help keep your family safe!

EXCLUSIVE SPECIALS

From time to time, you'll also be able to take advantage of special offers and exclusive discounts we give only to our Safety and Savings Plan™ members!

WAIVED SERVICE FEE

Only highly trained technicians driving vehicles loaded with thousands of parts to quickly make hundreds of the most common electrical repairs are dispatched to your home. Our high-level, time-saving service comes with a standard service fee. However, as a Safety and Savings Plan™ member, the service fee is waived for you when work is performed!
